TRANSMITTAL SLIP		
25 February 1948		
DATE		
TO:		
Chief, Personnel		
BUILDING	ROOM NO.	
North	117	
REMARKS: [REDACTED] was referred to me by a friend, and I had the usual noncommittal talk and gave him these papers to fill out. I believe he had introductions to one or two other offices, but I don't know what interest was shown in him. As he will not be admitted to the Bar for nearly a year, at the earliest, I cannot consider him for a place at the present time. He impressed us favorably, however, as serious and intelligent and worth consideration by several of our offices.
